WHAT OUR CUSTOMERS SAY

"I had a large wedding where 100 out of the 500+ guests needed kosher meals and breakfasts for multiple days, and JChef was the perfect solution. The customer service was top-notch, and delivery was on time with clear and efficient communication."

Joe P. — Wedding Planner & Event Coordinator

"JChef was absolutely crucial in resolving our catering needs after our original vendor sent us unusable food. Within 2 days of our first phone call, JChef provided over 500 meals. The feedback on the food was amazing — I could not recommend them more."

Thomas O. — Director of Food & Beverage, The Greenbrier Resort, White Sulphur Springs, WV

"We ordered hundreds of kosher meals from JChef for our event in Indiana. Ordering was seamless — JChef provided links so each kosher guest could select their own meals. They even labeled each person's meals to make distribution easy for our staff. Very happy with them and will definitely use JChef again."

Joseph T. — Hilton Fort Wayne at the Grand Wayne Convention Center
